

McGladrey Selects Tallie as an Expense Management Solution

SAN FRANCISCO– May 18, 2015 - Tallie, the leading SaaS [expense reports](#) innovator, announced today that they have signed an agreement with [McGladrey LLP](#), the nation's leading provider of assurance, tax and consulting services focused on the middle market. Through this partnership, McGladrey will provide its clients with a robust and cost-effective [expense management](#) solution.

“With the innovation occurring in technology and mobility today, businesses face an entirely unique set of financial and accounting challenges,” said James Cashin, partner at McGladrey. “We selected Tallie as a strategic expense management partner because of their extensive integrations, flexibility and ease of use.”

“McGladrey understands that modern businesses need to be nimble, efficient and automated, where appropriate, to be competitive,” said Chris Farrell, CEO of Tallie. “That’s why we’re excited to partner with them in offering Tallie as part of their IT solutions stack. We built Tallie to do most of the work for the employee, the accountant and IT, so they can focus on the business at hand. We’re looking forward to bringing this to McGladrey clients to enhance the already robust services that McGladrey provides.”
